Welcome to About Us

First Dental Health (FDH) has been the leading independent dental network in California since 1995. Based in San Diego, FDH has always been committed to a strong statewide presence. Today, our PPO network includes more than 6,000 credentialed dentists, making FDH the largest independent network in the state.

In anticipation of a time when controlling dental costs would require new and different solutions, FDH established an Exclusive Provider network (EPO) that now includes more than 2,700 dentists statewide. This EPO network offers deeper discounts as a standalone product, or as a network within a PPO program.

Today, FDH networks are available to more than 300,000 members in more than 2,500 groups through 40 insurance companies and TPAs. By offering greater network access and greater network savings, FDH ensures the highest level of satisfaction for employers and their employees.

Whether you're an employee or member of a group-sponsored dental plan or program (through one of our contracted insurance carriers or administrators), you'll find the help you need from our Member Services Department.

- Need to find a dentist?
- Want to nominate your dentist?
- Need more information about your plan or program?
- Have a question?

Use our Member Services pages to help you find the information you need, or email us. You can also call us toll-free at (888) FDH-LINE (334-5463); for further assistance.

What does PPO mean?

Preferred Provider Organization. FDH providers follow a contracted fee schedule for the service they provide.

What does EPO mean?

Exclusive Provider Organization. The FDH EPO program, provides the patient with a greater reduced fee for service, in this smaller, exclusive network. The employer must have chosen the EPO program and the provider must participate in the EPO network for patients to receive benefits.

Who uses FDH?

FDH is a portable network aligning itself with many different insurance companies and employer groups.

Does FDH have an individual or senior plan?

Yes, [see the Dental Club](#).

Can a patient see a specialist without first seeing a general dentist?

Yes

Can a patient change dentists if they are unhappy with their present one?

Yes

Can a patient see a dentist if he/she is out of network?

Depending on the plan design chosen by the employer, the patient may or may NOT have benefits "out of network". The employee's Human Resource Department will know this information.

How can a patient nominate their dentist?

By completing a [nomination form](#) online or by calling FDH, at which time an FDH representative will contact the dentist and send an application packet.

Your Questions...

- What is FDH?
- How do we know what groups FDH is contracted with?
- How do we find out information about benefits and eligibility?
- Do we need a special claim form?
- Can we send claims electronically?
- Where do we send claims?
- If you do not determine benefits, why do you need to see our claims?

- Do you accept all dentists?
- Are there any administrative fees associated with FDH?
- What must a provider submit to join the FDH network?
- How long does it take to become a provider after submitting the requested information?

Your Answers....

What is FDH?

FDH is an independent, portable network. FDH aligns itself with over 40 insurance companies, plan administrators, and employer groups, providing a network of quality dentists as well as claims review. We are not an insurance company or an HMO.

How do we know which groups FDH is contracted with?

FDH distributes an Eligibility and Benefit Information Reference Guide to all of our providers, indicating which groups we are contracted with.

How do we find out information about benefits and eligibility?

The Eligibility and Benefit Information Reference Guide lists employer groups with a phone number to contact or refer to the back of patient's id card.

Do we need a special claim form?

FDH has its own claim form with all the necessary information. You can find this in the back of the policy and procedure manual. If you do not have an FDH claim form, any ADA form may be used.

Can we send claims electronically?

At this time, FDH is not equipped to receive claims electronically.

Where do we send claims

PO Box 919029
San Diego, CA 92191

If you do not determine benefits, why do you need to see our claims?

Some employer groups have chosen utilization review as an option. In these case, the FDH Claims Analysts' review each claim for dental necessity. Then your claim is sent directly to the payor for benefit determination and payment.

How will patients know which dentists are FDH providers?

FDH produces a complete directory. FDH also provides a monthly provider update on disk to all contracted groups. You may also use our website - www.firstdentalhealth.com.

Do you accept all dentists?

FDH has credentialing standards in which all providers must reach. In addition, there must be geographic necessity as well as a need for the specific provider type in a certain area.

Are there any administrative fees associated with FDH?

No

What must a provider submit to join the FDH network?

A Completed provider application and agreement, as well as a copy of their wallet size license and malpractice insurance.

How long does it take to become a provider after submitting the requested information?

Providing all the information is complete, FDH accepts providers on a daily basis.

First Dental Health Capabilities

First Dental Health is a non-risk bearing dental care management company providing state-of-the-art service to the self-insured, Taft-Hartley, insurance and HMO industries.

First Dental Health specializes in utilization review and management; quality assurance and improvement programs; and benefits administration for any combination of network or non-network providers. First Dental Health is expert at developing and managing its own PPO/EPO networks as well as customized networks for select clients. First Dental Health offers all of its products and services nationally on a turn-key basis exclusive of network development.

Additionally, First Dental Health has developed a California statewide PPO/EPO model network which is the prototype for national expansion. The California network is extremely robust, especially in view of the deep discounts, value-added benefits and overlying cost control features inherent in First Dental Health's provider network.

Traditional PPO & EPO

FDH has a variety of programs available for the employer who is interested in providing an affordable dental benefit to his or her employees. The FDH PPO is our reduced fee-for-service Dentist network in California that is made up of over 6,000 general dentists and specialists. The EPO is a subnetwork of Dentists who have agreed to fees reduced beyond that of the PPO. These networks may be combined with a dental insurance plan offered by several insurance companies with which FDH partners. If you are self-funded or are interested in an insured dental plan for your employees, please call us for more information at 1-800-334-7244.

First Dental Health (FDH) has compiled some of the most frequently asked questions in order to better inform you about the Dental Club. If there are other questions we can help you with, please call today at 888-FDH-LINE (334-5463) or email us with your question?

Your Questions...

- What dental procedures are discounted?
- What do I show to get my discount?
- What if the procedure my dentist recommends is not shown on the partial list of fees?
- What if I need to change my individual membership to family coverage?
- How can I get my dentist to join FDH?

Your Answers...

What procedures are discounted?

All dental procedures are discounted. Samples of the discounted fees appear the sample savings page.

What do I show to get my discount?

You must show a valid picture ID along with your Dental Club card.

What if the procedure my dentist recommends is not shown on the partial list of fees?

Ask your dentist what the FDH Dental Club fee is for the recommended procedure. If the procedure is not a fixed amount by contract, your dentist will discount their fee by 15%.

What if I need to change my individual membership to family coverage?

Fill out the change form included in your member enrollment packet and remit with the payment specified for the family upgrade. A new ID card, listing your new dependent(s), will be mailed to you.

How can I get my dentist to join FDH?

You can nominate your dentist online at:
<http://web.archive.org/web/20020718025115/http://www.firstdentalhealth.com/>
or contact our Provider Relations Department at 888-334-5463.

Over 5,000 California dentists have agreed to save you money

It's a fact. Regular dental checkups and cleanings are a must to ensure good personal health, hygiene and self-esteem.

But too often, dental costs can take a huge bite out of your budget, especially if you have children who need orthodontic treatment.

Enter the Dental Club. Designed to make regular dental care accessible to everyone, the Dental Club is the affordable solution you've been looking for. And best of all, it's available right now!

How the Dental Club works

For a low monthly fee of just \$5 (single) or \$7 (families), if paid annually, you will receive a Dental Club identification card, a list of our service providers, a schedule of fees, and a toll-free customer service number.

From then on, taking advantage of your Dental Club membership is as easy as visiting any participating Dental Club provider and paying the discounted fee listed on the schedule.

It's that simple! Unlike traditional dental insurance, there are:

- No claim forms

- **No waiting periods**
- **No annual maximums**
- **No deductibles to worry about**

One of the largest dental networks in California

Here's what sets The Dental Club apart from similar programs: the scope and selection process of our dental network, which includes all dental specialties (i.e. orthodontics).

From San Diego to San Francisco - and beyond - we've assembled a network of more than 5,000 dental practices. This means you won't have to go out of your way to take advantage of your Dental Club savings.

What's more, membership in our network is based on a careful selection and review process, overseen by a committee of respected and experienced dentists. You can print a complete list of dentists available in your area, by visiting our website at www.firstdentalhealth.com or calling our toll-free customer service number 888-FDH-LINE (334-5463).

Saves money even if you have dental insurance

Most dental insurance plans come with high deductibles and, for expensive procedures, cover only about half of what a dentist charges. Thanks to the low, guaranteed Dental Club prices, the amount you will have to pay will be less. These savings can really add up, especially with expensive procedures such as crowns, orthodontics and oral surgery.

Join the Dental Club today!

Just complete and return the attached Dental Club Enrollment Form, along with your check or credit card information. We'll rush you a Dental Club membership package, which has everything you need to start saving on dental services immediately. If you have any questions

• <http://web.archive.org/web/20020401195411/http://www.thedentalclub.com/>
